2018 Annual Report – Note from the President

Date: January 27, 2019

To: All American Canyon Arts Foundation Members

2018 was another amazing year for the American Canyon Arts Foundation. First, I would like to thank the board, all of our members, and their families for all the support and volunteering that occurred throughout the year.

Financially, we are growing incrementally and thus we are able to give back more financial support to our community. As we grow, we are expanding into more community art projects which require their own special funding drives. We are grateful to our community, businesses, and the City, for supporting the work that we do.

We had and participated in so many programs throughout our community. Our artists are being recognized for the various mediums that they use to express their creativity. In additions, we were able to provide financial assistance for local cultural programs, art in our schools, and scholarships to 3 graduating seniors. I am ever awestruck by the talent we have within our members.

For 2018, we started expanding partnerships to other community organizations such as the American Canyon Community and Parks Foundation and the Boys and Girls Club. With joint support our community can only benefit from our partnerships.

I am appreciate of the support the members have shown me as I stepped into the Presidents role, following the incredible job that past President Mark Joseph did. I am even more grateful that Vice President Patricia Oro was willing to step up as I took a temporary remote assignment for work. As everyone knows, it takes a full team to be successful and I am proud to say that we have that in the American Canyon Arts Foundation.

So to the Board Members, I am so grateful for your ever constant participation and support.

Artistically Yours,

Events and Accomplishments

Below is a summary of the major events and accomplishments of the Foundation during Calendar Year 2018.

1. Annual Meeting: We held our annual meeting at La Strada. This year we focused on a potential partnership with Nimbus Arts. They shared with us the success that Nimbus Arts has had conducting murals within the community, as well as the potential of bringing classes to southern Napa County.
2. Arts and Culture Programs
 - a. Black History Month: From the grant we received from Art Council Napa Valley as well as the City of American Canyon, we were able to host Sharon McGriff-Payne to speak about the Black history of Solano and Napa Counties. Artist Pam Jones presented the work of Lawrence Jacobs, as well as hearing the musical stylings of the Has-Beens and Bow Hammer Skins. To top it off, food was provided from Chez Soul of Fairfield.
 - b. Multicultural Celebration: As with Black History month, we were able to assist in funding the Multicultural event hosting dancing and food from many cultures.
 - c. Fil-Am History Celebration: With the grants from Art Council Napa Valley and the City of American Canyon, we completed our series of hosting cultural events that celebrate the cultures of the people in our community.
3. Community Events
 - a. Spring Celebration: Roberta LaBaw coordinated a festive Spring Celebration where we continued the tradition of the Chalk Art contest. For additional fun, bubbles were handed out to all of the artists that participated.
 - b. Earth Day: The community and artist Jennifer Leahy created an amazing recycled art display that was later decorate the outside of the Senior Center.

- c. Fourth of July: Through creativity, the ACAF provided a gigantic coloring sheet that the community could join us in coloring in.
- 4. Arts in April: So many phenomenal artists competed for spots within our Arts in April Event. Due to the limited size of the venue, we were only able to take a portion of all the entries. We continually thank the Springhill Suites for their gracious space and incredible hospitality to our Arts Foundation.
- 5. School Support
 - a. Donaldson Way Elementary School: This school received our financial support in hiring an artist to paint a mural representing the school and its students.
 - b. American Canyon Middle School: Through our increased support from donations, we were able to grant Jennifer Leahy \$500 for art supplies in the school.
 - c. Three Scholarships to Graduating High School Students pursue Arts Careers were granted.
- 6. Summer Camp Arts Program: The City of American Canyon brought us in to teach the youth of the Summer Camp and Art Project. This year we utilize sidewalk chalk drawing and encouraged free style creativity.
- 7. Fall Boutique: Gloria Fouts brought forth fashions designs for the community to enjoy and purchase. Her generosity benefited the Art Mural Project on the Boys and Girls Club.
- 8. American Canyon Welcome Center Art Shows: Our Foundation is blessed to have so many creative artists that are willing to share their art with us and the community. We thank the American Canyon Chamber of Commerce for their generosity in hosting out artists and allowing us to have a handful of receptions to showcase our artists work.
